

Join a Peace Team to Palestine with Meta Peace Team

Meta Peace Team (MPT) has been creating nonviolent alternatives to militarism and violence through empowered peacemaking since 1993. As part of their practice, they have been placing peace teams in places such as Iraq, Haiti, Bosnia, Egypt, Panama, Mexico, Gaza Strip, the West Bank and within the US.

MPT's peace teams act to reduce and prevent violence, utilizing a practice known as "Third Party Nonviolent Intervention," which includes tools like protective accompaniment; human rights monitoring/ reporting; a peaceful presence; and interpositioning (getting in between conflicting parties to deter them from using violence against one another).
